2 Way Cosytoe

Foot muff and seat pad in one! The 2 Way Cosytoe offers protection for your child - no matter what the weather.

The Cosytoe has a cool, breathable summer and a warm, cuddly winter side. When the weather gets warmer, the front boot cover can be removed by a zipper. This boot cover can be combined with the respective side.

The comfortable seat pad can be used either as a summer or a winter seat pad.

You can fix the 2 Way Cosytoe on your buggy or stroller thanks to the belt slots.

Highlights:

all-weather protection

breathable summer and cuddly winter side

usable as footmuff or seatpad

belt slots for a safety fixation in every buggy or push chair

easy-care material
